OGGETTO: Progetto Erasmus + K210 "EUnity" - proposta di adesione.

Si informano gli interessati in indirizzo che la scuola ha ottenuto il finanziamento per un progetto di partenariato su piccola scala, presentato lo scorso ottobre con altre tre scuole europee:

- GO! MSKA Roeselare (Belgio)
- Mykolo Birziskos gimnazija, di Vilnius (Lituania)
- Esksehir Anadolu Lisesi (Turchia)

Il tema che unisce le varie azioni previste è la valorizzazione della cittadinanza europea attraverso la conoscenza delle sue istituzioni, il suo patrimonio culturale, i valori della democrazia.

Su proposta ed elaborazione delle prof.sse FEDI Elena e Daniela, l'Istituto Capitini ha partecipato alla stesura della sezione del progetto che riguarda il Patrimonio Europeo, delineando una proposta con attività da svolgere durante la visita dei partner in Italia (Ottobre 2024).

Periodo di attuazione del progetto va dal 01/02/2024 alla fine di ottobre 2025.

Sono previste anche delle mobilità:

- 8 mobilità di 5 giorni totali ognuna, riservate agli studenti (2 flussi)
- 6 mobilità totali di 5 giorni ognuna per i docenti (3 flussi)

Anche se gli studenti che possono partire sono 8, al fine di dare a più docenti e a più studenti la possibilità di partecipare ad un progetto Erasmus+ e fare esperienza di mobilità si intende coinvolgere n. 3 classi.

essendo già coinvolte la classe 3AFM e la classe 4DSIA, il Key-staff Erasmus, nella riunione del 17 gennaio u.s. ha deciso di estendere la proposta ad un'altra classe terza.

Si invitano gli interessati a prendere visione del programma degli impegni e a comunicare con urgenza, entro il 27/01, il proprio eventuale interesse a partecipare con una classe. Va precisato, comunque, che la classe eventualmente proposta deve mostrare, da parte degli studenti, interesse a svolgere le attività e ad effettuare eventuali mobilità, oltre che ospitare.

Si precisa, altresì, che ad eccezione della prima mobilità in cui, come referenti del progetto per la nostra scuola, sono tenute a partecipare le prof.sse Elena e Daniela Fedi, successivamente, visto che ad ottobre sarà il turno del Capitini di ospitare, anche gli altri docenti avranno modo di fare conoscenza diretta dei partner e di prendere contatti per poter poi eventualmente partecipare alle mobilità future.

Il progetto è strutturato e prevede un lavoro di approfondimento delle tematiche e la preparazione di contenuti che dovrà essere portato avanti dai gruppi di studenti e docenti delle 4 scuole sulla piattaforma eTwinning, in un twinspace appositamente creato, per tutta la durata del Progetto.
